

ACTREC
proudly congratulates

Dr. Amit Dutt

Scientific Officer 'F' & Principal Investigator, Dutt Lab
CRI, ACTREC, TMC

on being awarded the
Shanti Swarup Bhatnagar Prize for Science & Technology
for the year 2017 in Medical Sciences

Citation

The Award is a recognition of his outstanding contributions to Cancer Genetics especially related to the FGF Receptor Family in Lung Cancer, including novel mutations in Indian patients. This has major implications in our understanding of the disease as well as translational possibilities.
