

Registration Fee

Category ⁶	Till August 15, 2012	After August 15, 2012	Spot Registration
ISRB Member	` 2000	` 2500	` 3000
Non-ISRB Member	` 3000	` 3500	` 4000
Student & Post-Doc (India)	` 1 500	` 1750	` 2000
Business Delegate (India)	` 6000	` 7000	` 8000
Student & Post-Doc (Foreign)	USD 100	USD 125	USD 150
Business Delegate (Foreign)	USD 500	USD 550	USD 600
Foreign Delegate	USD 200	USD 250	USD 300

❖ **Registration fee for an associate delegate will be 75% of the delegate accompanied**

❖ **Registration fee for Participants from developing countries will be same as Indian delegates**

Registration cancellation charges: 20% till August 31, 2012 and 50% thereafter till September 27, 2012

Bank details : Central bank of India, Kharghar Ext, Navi Mumbai 410210, A/C: name: ICRB2012; IFSC code: CBINO 013154

Abstract submission and registration will begin from first week of March 2012. Further Information about abstract submission and payment of Registration fee will be updated on Conference web page

International Conference on
Radiation Biology

ICRB 2012

Cosmic Radiation to Cancer Therapeutics

AND

**11th Biennial Meeting of the
Indian Society For Radiation Biology**

November 22-24, 2012

First Announcement

Advanced Centre for Treatment, Research and Education
in Cancer, Tata Memorial Centre, Navi Mumbai, India

IMPORTANT DEADLINES

Abstract Submission: August 15, 2012

Early Registration: August 15, 2012

Invitation

It is our privilege to organize International Conference on Radiation Biology, 2012 (ICRB-2012) with theme 'Cosmic Radiation to Radiation Therapeutics' along with the 11th Biennial Meeting of Indian Society for Radiation Biology (ISRB). It will be held between November 22-24, 2012 at Advanced Centre for Treatment, Research and Education in Cancer (ACTREC), Navi Mumbai, India. The Organizing Committee of ICRB and the Executive Council of ISRB have the pleasure of inviting you to the Conference.

We have woven a tantalizing scientific programme ranging from research areas in cosmic radiation to application of radiation in cancer research and therapy. A pre-Conference 'International Workshop on Radiation Biology in Translational Research' will also be organized on November 21, 2012. A post Conference satellite International Conference on Radiation and Cancer would be held during Nov. 26-27, 2012, Allahabad,. Eminent scientists, radiation oncologists and clinicians from around the globe have been invited to join us during the Conference and Pre-Conference Workshop.

In the verdant campus of ACTREC, you may take a gentle stroll mulling over the ideas in science or fiercely debate the issues in radiation biology during the meeting. The evenings will be filled with a blend of rich Indian cuisine, art and culture.

Navi Mumbai is a satellite city of Mumbai. It is located on the mainland of the eastern coastline of the Thane Creek and is connected with Mumbai, through an array of bridges.

Mumbai and its surroundings are famous for historical monuments, colonial-style buildings, art deco structures, museums, beautiful hill stations, small islands and Bollywood, the Indian film industry. The city offers a cosmopolitan and diverse life style with variety of food, entertainment and night life like many other world cities. In Mumbai we always dream of the possible and the impossible. There is a magical air to this megapolis.

We look forward to meeting you along with your colleagues and students during ICRB-2012.

Nagraj Huilgol
Conference President

Rajiv Sarin
Secretary General

Organizing Committee

Conference President Dr Nagraj Huilgol, Nanavati Hospital
Secretary General Dr Rajiv Sarin, ACTREC
Organizing Secretary Dr Jayant Sastri Goda, ACTREC
Joint Organizing Secretary Dr B. N. Pandey, BARC Dr H. D. Sarma, BARC
Treasurer Dr Abhijit De, ACTREC

ISRB Executive Council

President	Dr P. K. Goyal, Jaipur
Vice-President	Dr M. Bala, New Delhi Dr S.C. Jain, New Delhi
Secretary	Dr B. N. Pandey, Mumbai
Treasurer	Dr R. K. Purohit, Bikaner

Members

Dr A. Chougule, Jaipur	Dr A. Kumar, Mumbai
Dr A. Basu, Sikar	Dr C. K. K. Nair, Trichur
Dr Dhanraj Soyal, Jaipur	Dr N. Rajendra Prasad, Annamalai Nagar
Dr R. Mukhopadhyaya, Mumbai	Dr Sunil Kumar, Ahmadabad
Dr V. K. Kalia, Bangalore	Dr Y. B. Tripathi, Varanasi

Foreign Members

Dr Carmel Mothersill, Canada	Dr Mansoor M. Ahmed, USA
Dr Munira A. Kadhim, UK	Dr V. K. Singh, USA
Dr Yoshihisa Matsumoto, Japan	

Major Topics

- Radiobiology of high LET radiation
- Space radiation biology
- Low dose radiation biology
- Radiation protection and radiosensitizer
- Occupational and accidental health hazards
- Radiation-induced bystander effects and genomic instability
- Translational research and cancer biology
- Hyperthermia and radiation therapy
- Molecular imaging in cancer
- Cancer theranostics
- Nanotechnology in cancer
- Radiobiology of cancer stem cells
- Non-ionizing radiation and cancer
- Biological dosimetry
- Radiation signaling
- Radiation induced oxidative damage, DNA damage and apoptosis
- Mathematical modeling in radiation biology
- Radiation effects on plants and microbes

Post Conference Satellite International Conference on Radiation and Cancer, Nehru Gram Bharati University, Allahabad, India November 26-27, 2012
Conference Chairman: Dr K. P. Mishra, VC, NGBU

A Pre-Conference International Workshop on

RADIATION BIOLOGY IN TRANSLATIONAL RESEARCH

will be organized on November 21, 2012
Further details will be posted on the Conference website

AWARDS

ISRB Awards

Dr M R Raju Award

Best Oral / Poster Awards

ICRB 2012 AWARDS

Best Scientific Idea Awards

(Novel, Scientific & Testable idea)

Best Thesis Award

(In the field of basic or clinical radiation biology)

Cash awards and citation will be conferred to the first three winners)

Eligibility criteria and further details for these Awards will be posted on the Conference website
