The vendor should perform 4 nos. of preventive maintenance services/ year, all	

35	AMC : AMC is freezed at 1.5% per annum on ex works cost (exclusive of applicable GST) for 8 years after warranty. It will included 4 preventive maintenance/ year and all breakdown visits.		
36	During Warranty and AMC/CMC: 4 Nos of Preventive Maintenance Visits per year and unlimited breakdown visits as and when required. Calibration/validation should be performed once in a year by the manufacturer/authorized service provider during warranty period and in AMC/CMC at no additional cost to ACTREC.		
37	Important terms to be noted by the bidders:		
38	Read the above scope of supply carefully and quote accordingly. Incomplete and /or partially complete offers are liable to be rejected.	Agree/Not Agree	
39	Manufacturer/bidder should clearly indicate typical life span / Life expectancy of the quoted equipment.	years	
40	Mention typical site requirements for the installation.		
41	Item/Equipment quoted should not be a second hand/refurbished/on verge of obsolescence/outdated model. Similarly, after award of contract, the item supplied should be a newly manufactured item and not the old item already manufactured and stocked for more than 1 month.	Agree/Not Agree	
42	After opening of the Technical bid (Part-1), Physical demonstration of the quoted model may have to be shown / arranged by the bidder, if requested by the Institute. Physical demonstration may be shown at one of the end user's site/Principle company's application lab/manufacturing site located in Mumbai/Navi Mumbai/Thane cities. If there are no installations of the quoted model in Mumbai/Navi Mumbai/Thane cities, then the quoted model may have to be brought in at ACTREC for demo purpose within 10 days from the date of request. Physical Demonstration may be requested to confirm the availability of any or all technical features as mentioned/stated in the technical bid. Physical Demonstration will also be a part of technical evaluation process. If the bidder does not comply, such bids are liable to be disqualified. (Demonstration of quoted model is to be shown and not the demonstration of similar models with different technical specifications and features)	Agree/Not Agree	
43	Past experience of the bidders in terms of quality of supplied equipments, after sales service and application support will be taken into consideration while technical evaluation Bidders who has unsatisfactory past experience in last 2-3 years, in terms of quality of supplied equipments, after sales service and application support, bids of such bidders may liable to be rejected.	Agree/Not Agree	
44	Complete and detailed information should be provided in respect to each point specified in the specifications. Technical bids that are incomplete in any respect are liable to be rejected. Provide relevant supportive information, publications, catalogue, etc. Bidders providing misleading or wrong information are liable to be rejected. All technical claims should be printed in the technical brochure of the equipment.	Agree/Not Agree	

45	If any contradictory statements /figures/information is observed in	Agree/Not Agree	
	the compliance chart and in the technical bid, then the technical		
	information mentioned in the product literature/brochure will be		
	considered true and further evaluation will be done based on the		
	information given in the product literature/brochure. Regarding the		
	warranty and free AMC terms, information quoted in the technical		
	bid will only be taken as valid terms.		
46	Compliance column may be filled with relevant data, figures, range	Agree/Not Agree	
	etc. as applicable. Do not just mention "YES / NO / Complied ".		
47	Declaration by the bidder		
48	We have quoted for all the items meeting the description/scope of	Yes/No	
	supply in the Financial bid as per prescribed format of the Tender		
	documents and we agree that Partial/incomplete offers are liable for		
	rejection.
