WALK – IN – INTERVIEW FOR
ADVANCED TRAINING COURSE IN MEDICAL LABORATORY TECHNOLOGY (2023)

Tata Memorial Centre, ACTREC announces "Advanced Training Course in Medical Laboratory Technology". This training program will be focused on Clinical Biochemistry including tumor markers and therapeutic drug monitoring studies, Microbiology including bacteriology, virology and mycology, Hematology, Surgical Pathology including IHC, Transfusion Medicine and Quality Management with emphasis on accreditation related activity. The course will cover theoretical, technical and practical aspects, and will include hands on training on state of the art analyzers with emphasis on quality control. Selected candidates will be rotated through all these laboratories as per schedule, examinations will be held in house periodically, and certificates will be awarded to successful candidates on completion of the course.

1	QUALIFICATIONS	Candidate must be HSC and DMLT from a recognized university/ Technical Board, candidates with B. Sc plus DMLT and B. Sc. (MLT) may also apply.
2	AGE LIMIT	Upto 40 years as on 01.08.2023 (relaxable for sponsored candidates and SC / ST & OBC as per rules)
3	NO. OF SEATS	5 (Five)
4	SECURITY DEPOSIT	Selected candidates are required to deposit an amount of Rs. 10,000/- (Rupees Ten Thousand only) at the time of joining. The deposit will be refunded without interest on completion of the training course or internship whichever is later. If the trainee leaves the training at any time before completion of the training, the deposit will stand forfeited.
5	STIPEND	Non-sponsored Candidates: Rs. 8,000/-per month (Rupees Eight Thousand Only) for one year. Sponsored Candidates: No Stipend.
6	SERVICE BOND	Non sponsored Candidates will be required to execute an agreement to serve the Tata Memorial Centre on a consolidated remuneration of Rs. 12,000/- p.m. (Rupees Twelve Thousand only) for a period of one year, after successful completion of the training. No Bond is required for Sponsored Candidates.

DETAILS OF THE COURSE:

(i)	COURSE FEES (NON-REFUNDABLE)	Non-Sponsored Candidates : Nil Sponsored National Candidates : Rs.12,000/-
(ii)	DURATION OF THE COURSE	One Year commencing from 01st August, 2023 [One year training and one year bond]

(iii)	STRUCTURE OF THE COURSE	Rotation in various work areas (ACTREC and/or TMH) will be as follows: <ul style="list-style-type: none"> • Sample collection • Hematopathology • Histopathology • Biochemistry • Microbiology • Transfusion Medicine • Laboratory Quality Management
(iv)	OBJECTIVES	At the end of the course, the student would be able to: a) Work as technologist in accredited laboratories attached to hospitals under the supervision of Hematologist, Biochemist, Microbiologist or Pathologist. They may be employed in a small laboratory functioning independently. b) Carry out advanced tests in all these fields personally, with effective quality control and provide patients with reliable reports. c) Acquire theoretical knowledge and practical skills leading to further specialization in the field.
(v)	EXAMS	Candidate must obtain 50% marks in all the individual theory and practical examinations of the course to be declared successful.

Outstation candidates may be provided accommodation (**subject to availability**) during the training period. They will have to pay accommodation charges as per institute policy.

Terms & Conditions:

During the period of training, the trainee shall not apply for any post or any other course / PG studies / scholarship or appear for any examination or interview outside without the permission of the Centre.

Any trainee leaving or remaining absent from the training before completion of this course will have to refund the amount of stipend together with interest thereon as per the rates fixed by the Centre. Candidates whose performance in the coursework is consistently found below expected standards will be terminated from the training course.

After one year training, the candidate has to fulfill the 'bond' by working for next one year in any of the diagnostic services of TMC, viz. Hematology, Biochemistry and Microbiology, Histopathology. If the candidate leaves in between or breaks the bond, he/she will have to refund the full payment received. The decision of the Centre will be legal and binding in this respect.

If more than 30 candidates apply for the positions, a written examination will be conducted, and the short listed candidates will be interviewed. Candidates will be selected based on their performance in the interview.

Persons working under Central/ State Government, Autonomous Body, Semi Government Organizations and other Public Sector Undertakings must submit No Objection Certificate from their present employer.

TMC, ACTREC reserves the right to restrict the number of candidates for the interview to a reasonable limit on the basis of qualification and marks. Merely fulfilling the prescribed qualifications will not entitle an applicant for the interview. TMC, ACTREC also reserves the right to reject any of the applications without assigning any reason thereof.

Eligible Candidates may attend the walk in interview on **Monday, 19th June, 2023**, at Meeting Room-2, 354B, 3rd Floor, Khanolkar Shodhika, ACTREC, Kharghar, Navi Mumbai- 410210 along with recent CV & original and attested copies of all certificates and testimonials with recent passport size photograph.
