SPEAKERS

DAY 1

Biology at True Resolution : Resolving complex biology at Single cell level
(10:00 - 11:15 AM)

Sachin Minhas, PhD

Product Manager - Genomics, Premas Life Sciences

Tips & Tricks - Sample collection & Storage for SC Genomics Experiments
(11:30 AM - 1:30 PM) ;

Experimental Workflow – SC 3’GEX library preparation – Practical Session
(2:30 - 5:00 PM)

Shivaji Mante

Assistant Manager - FAS, Premas Life Sciences.

DAY 2

3’GEX library preparation – Practical Session QC on Qsep
(10:00 AM - 1:30 PM)
Shivaji Mante

Data Analysis – Cell Ranger & Loupe browser demonstration
(2:30 - 5:00 PM)

Rajavarman Kittu

Senior Bioinformatician, Premas Life Sciences.
