# CALL FOR CASES

We welcome you to share your interesting and educational lymphoma cases for an interactive case-based discussion as a part of “Lymphoma update: Emphasis on Hodgkin Lymphoma”.

This forum will offer an opportunity to engage with experts, share educational cases, and review complex diagnostic scenarios.

## CASE TOPICS

We invite cases in the following categories:

1. Hodgkin Lymphoma and its Mimics
2. Non-Hodgkin Lymphoma and Other Haematolymphoid Neoplasms

## CASE SUBMISSION

**Please submit your case presentation by email to:**
**lymphomaupdate26@gmail.com**

**Last date of submission: 7th Nov 2026**

## CASE SUBMISSION GUIDELINES

- Please submit a PowerPoint presentation with the relevant details of the case along with representative microphotographs.
- Please structure your case as follows in the following order
  - Category: Hodgkin lymphoma and its mimics or other hematolymphoid neoplasms
  - Interesting Feature(s) of Submitted Case
  - Clinical Details
  - Details of Microscopic Findings along with immunophenotype
  - Other findings
  - Cytogenetics and Molecular Studies, if done
  - Proposed Diagnosis
- Participants may submit more than one case; however, a separate PowerPoint presentation must be prepared and submitted for each case.

**All submitted cases will be reviewed and screened by an expert committee. Participants whose cases are selected for presentation will be notified accordingly.**

We look forward to your participation and to an engaging and enriching academic discussion.
