

Workshop On Biostatistics & Survival Analysis

Date: 24th-26th November 2025

Organized by Division of Cancer Care, HBCR & Survival Studies,
Center for Cancer Epidemiology, Tata Memorial Centre (TMC) - ACTREC

Patrons

Dr. Sudeep Gupta
Director, TMC

Dr. Pankaj Chaturvedi
Director, ACTREC

Dr. Rajesh Dikshit
Director, CCE

Dr. Gauravi Mishra
Deputy Director, CCE

Program Directors

Dr. Amey Oak
Officer-in-Charge & Assistant Professor - E

Dr. Sivaranjini K
Assistant Professor - E

Program Coordinator

Mrs. Ashwini Patil
Scientific Assistant - E

Mr. Meghraj Jadhav
Research Assistant

Mr. Anil Mahadik
Senior Administrative Assistant

WHAT WILL YOU LEARN?

1. Gain a comprehensive understanding of biostatistical principles and study design.
2. Perform hands-on data analysis and visualization using SPSS software.
3. Apply correlation, regression, and diagnostic techniques in research.
4. Explore survival analysis through Kaplan–Meier estimation and Cox regression models.
5. Interpret and communicate statistical findings effectively.

Eligibility: Open to PhD scholars, postdoctoral fellows, Scientific/Medical Officers, Principal Investigators, and project staff.

Selection Process: Limited seats available; participation will be confirmed on a first-come, first-serve basis.

Participation fees: Rs. 1500/- for TMC Candidates and For other applicants Rs. 3000/-

Registration

Registration Deadline: 18th November 2025
