September 27, 2021

Rajiv Gandhi University (RGU)

RGU the premier Institute of higher learning is located in the Rono Hills under Doimukh administrative circles of Papum Pare District of Arunachal Pradesh, India. Late Smt. Indira Gandhi, the then Prime Minister of India laid the foundation stone of the university as Arunachal University on 4th February 1984 at picturesque Rono Hills, where the present campus is located. Ever since its inception, the university has been trying to achieve excellence and fulfil the objectives and mission as envisaged in the University Act. Elsewhere Arunachal University has been renamed as Rajiv Gandhi University and simultaneously converted to Central University by the Act of Parliament in the year 2007 which comes under direct funding of Ministry of Education (Formerly MHRD), Govt. of India. In 37 years of its existence, the University has grown in both magnitude and dimension, proven itself as one of the leading Universities in India. Please visit www.rgu.ac.in for details.

Advanced Centre for Treatment, Research & Education in Cancer (ACTREC)

ACTREC is the state-of-art R&D satellite of the Tata Memorial Centre (TMC) which is the autonomous grant-in-aid institution under the Department of Atomic Energy (DAE), Government of India. ACTREC has two wings Cancer Research Institute (CRI) and Clinical Research Centre (CRC) wherein basic, translational and clinical research are undertaken. Training, Research and Education are distinctive feature of CRI. In CRI, Scientists are actively engaged on interdisciplinary research of cancer biology with the mandate of translational research. CRC is an exclusive clinical research facility within the ACTREC campus. CRC has state-of-the-art facilities for diagnosis and treatment of Cancer. Number of clinical faculty is also actively engaging in laboratory based work with the scientists at CRI. Ongoing activities in ACTREC are playing a vital role in building up the internationally recognized research. For details please visit www.actrec.gov.in.

Mahatma Gandhi Institute of Medical Sciences (MGIMS)

MGIMS is the first rural medical college established as a part of the Gandhi Centenary year 1969 under the dynamic leadership of Late Dr. Sushila Nayar. MGIMS is Wi-Fi enabled campus, NAAC accredited 'A' grade, runs UG, PG & PhD courses, grooms and moulds conscientious doctors with its innovative approach in academic curricula and training of personnel with rural bias. Kasturba Hospital, nearly 1000 bedded attached to MGIMS has the distinction of being the only hospital in the country started by the Father of the Nation. MGIMS is committed to the pursuit of professional excellence by evolving and integrated pattern of medical education and it seeks to provide accessible and affordable health care primarily to under privileged rural community. MGIMS is presently moving forward under the guidance of our President, Shri Dhiru S. Mehta, a man with dynamism coupled with Gandhian Ideals and Passion. Please visit www.mgims.ac.in for details.
